

Come Follow Me

Jules Birt

Leeming, WA

Come to the river,
Go under with me.
Immersed in God's Kingdom
Come follow me

Come to the desert
Alone and hungry
Do battle with Satan
Come follow me

Come to the mountain
With no-one but me
You'll learn this is God's world
Come follow me

Come to the Scriptures
And sit at my feet
I'll teach you this Kingdom
Come follow me

Come to the dying
The hurting and dirty
You'll find me in serving
Come follow me

Come to the table -
God's gifts are for free.
Let's celebrate living!
Come follow me

Come to the garden
And pray next to me.
Whose will are you willing?
Come follow me

Come before Pilate
In silence you'll see
That God is the True Judge

Come follow me

Come to Golgotha
And die on a tree.
Your cross leads to new life
Come follow me
